

THE FOUNDATION TO INSPIRE EXCELLENCE IN NYACK SCHOOLS, INC.

Inspire Nyack is a community based non-profit organization whose goal is to help fund innovative science, technology, engineering, art & math (STEAM) related programs in the Nyack Public School system for students K-12.

Project in Focus: Raise funds to open NEW Mobile Makerspace work areas in each of the 3 elementary schools.

Inspire Nyack's goal is to raise \$30,000 to fund the Makerspace initiative beginning with a pilot program at Liberty Elementary School. After the pilot program is successfully completed, Inspire Nyack will be working with the district to expand the Makerspace initiative to Valley Cottage and Upper Nyack Elementary Schools beginning with the 2019/2020 academic year.

Since 2007 Inspire Nyack Foundation Has Contributed \$450,000 to Fund:

- MacLab at the Middle School- includes 32 Macintosh computers, new desks and related equipment.
- MacLab at the High School- includes 23 Macintosh computers, keyboards, headphones & specialized software.
- Science Computer Lab Classroom for 7th Grade: 22 computers, digital probes & software.
- Robotics Programs & Maintenance in K- 8th grade: computers, materials & equipment
- Consultants for Professional Development and Training
- Funding for Science Competitions and Fairs
- Chrome books for the Middle School
- *Inspire Nyack Week* – Science oriented assemblies in K-8th grade; Pi Day at the high school.
